Dear Parents,

Reminder – this evening at 6.30 we will be farewelling Miss Miller. All families are invited to come along and share in this time. Families are asked to bring finger food to share and non alcoholic drinks for your own family.

The students have prepared a presentation which will begin at 7.10pm. This function will be held in the double classroom area of the school (we will have the heaters on so we can keep warm and enjoy the evening).

On Friday morning at 9.00 students will present a number of musical presentations prepared during music lessons with Mrs Buckman. All parents are invited to come along and enjoy these presentations.

Teachers have been busy preparing the midyear reports. Reports provide parents and students with valuable feedback and help both students and teachers set goals for the second semester. Prep-1 reports went home on Monday and Years 2-6 will be distributed on Friday. Interviews will be conducted early term 3. This will provide an opportunity to clarify any areas of concern and to view and discuss learning plans for semester two. Thank you to Miss Miller and Frau Stoffel, many hours goes into assessing work, collating observations and reviewing data in preparation for the final document.

We hope that everyone has a happy and safe holiday and we look forward to returning fresh and ready for semester two (as you can see from above there are numerous dates to add to the calendar already).

Judy Hilbig
Principal
