Dear Parents

Congratulations to all our runners from yesterday. The Halls Gap students were fit and well prepared for the run. Thank you to Mr Kennedy and Frau Stoffel – all that training paid off! Thanks to those who helped on the day and supported our students. A very exciting first for the cluster. Teachers will meet to discuss and review the event.

This week is Education Week. Yesterday was the first of our events, orders should be in for the gourmet sandwiches luncheon and please don't forget our Community Breakfast on Friday 8.00am. Please feel free to invite community members along.

All students completed the NAPLAN tests last week. It is always great to have all students participate. The testing provides detailed analysis for teachers when reviewing student progress and establishing learning goals. It was a credit to the students to see how they conducted themselves throughout the process.

Thursday is School Council. Several agenda items included at this stage are student netbooks for years 4-6, draft School Review School Self Evaluation report and current works update. If Councillors have any other agenda items please see Paul or Judy as soon as possible. Report documents re council will be sent home with students tomorrow.

Have a wonderful week  
Judy Hilbig

### ALLERGIES

Just a reminder – we do have a child at school with a serious allergy to nuts (anaphylaxis). We do ask that you refrain from sending products to school that contain nuts.

### LUNCH ORDERS

To ensure lunch orders are managed safely please help us by placing the correct money in an envelope/paper bag when sending orders to school.
