Dear Parents

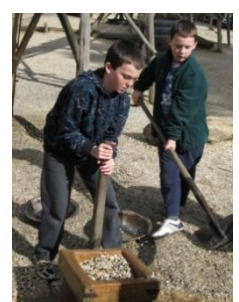

To celebrate Science Week students travelled to the Ecolinc Centre at Bacchus Marsh today. To find out more about the Ecolinc Centre visit <http://www.ecolinc.vic.edu.au/index.php>. Our visit is timed to match with National Science Week. Each year a National Project is run as part of National Science Week. It is designed to encourage everyone around the country to participate in science. This year the National Project is inviting people to participate in 'The Big Sleep Survey'. If you would like to participate in the survey follow the link <http://www.sleepsurvey.net.au/index.php>.

Year 4-6 students are rapidly working towards completing their films. The first of these films is to be ready for entry into the Grampians Regional Languages Other Than English Competition by August 27th. Films will also be entered in the Goethe German Film Festival and the Halls Gap Film Festival. Story boards have been completed, puppets made and scene boards created. We look forward to viewing the films in the next couple of weeks.

Junior Class students are still working with Chef Rosemary to explore foods eaten at home. Yesterday they made Corn Cake – a recipe from Chile. While very sweet and rich it was described by students as being – delicious, delectable, yum, superb, magnificent, sweet, and tasty.

Tomorrow is the unveiling ceremony of the plaque that outlines the historical naming of Cherub Peak. The ceremony will begin at 12midday and will take place at the base of the steps leading up to Mackey's Peak (several hundred metres beyond the grave of Agnes Folkes). We are expecting television and news reporters to attend. All students are expected to be in school uniform. Following the ceremony those present are invited back to the school for refreshments.

Have a wonderful week.
Judy Hilbig
