nuts.**

Dear Families,

Weather permitting our BBQ lunch and working bee will go ahead this Friday afternoon from 1pm. If anyone has inside information and feels the working bee should be postponed due to inclement weather, please let me know before the end of school tomorrow so that I can inform all families.

Assuming the lunch and working bee will happen, as part of Friday afternoon Frau Stoffel would like to meet with interested parents at 1.30pm (prior to the working bee) to give them some information about the school's Term 4 production: GREASE.

Our camp to the Little Desert is only 5 days away. Frau Pace and I are really looking forward to spending quality time, in a more casual environment, with our Grades 3 to 6 students. I remind all students to ensure that you have plenty of warm clothing!!! As I will be on camp until Wednesday, next week's newsletter will go home on Thursday.

While we are away on camp the P-2 students are going to be doing some cooking with Frau Stoffel and some volunteer parents. P-2 students will not need to bring their lunch on Tuesday the 20th of August.

Welcome back to the McDonald family! Thanks for the introduction to my new favourite breakfast food. Yum!

Today parent opinion surveys are being sent home to families with their eldest child. The feedback gained from these surveys is invaluable to the school for future organisation. The completed surveys are due back next Monday the 19th of August.
