Dear Families,

Welcome back to school!! It is fantastic to see everyone's smiling and keen faces.

I would like to thank the parents who assisted with working bee the day before school returned. Every little bit helps and is very much appreciated. There is still a lot of work to do in cleaning up before the Jazz Festival weekend so if you are available at other times, please feel free to call in.

I hope everyone has met Mr. Loney by now. He is having a fantastic time and I think we are lucky to have found ourselves another teacher who is as enthusiastic and committed as he is.

Swimming commences next Monday the 9<sup>th</sup> of February. The arrangements are slightly different this year. Sessions will start at 12.30pm and Pomonal/Halls Gap students will be divided into 10 groups (5 sessions) which will be conducted by two trained swimming instructors (very exciting!) Groups and their times for swimming are posted at the Halls Gap swimming pool. Feel free to drop in and have a look.

Lunch order day is a Wednesday and is still being supported by Stony Creek Bakery and Coolas Ice-Creamery. Please find attached a canteen list and prices – which may change over the next week but they are valid for tomorrow's canteen day. Please ensure that you have correct money and that your order is in on time. If your child is late to school on this day please drop your child's lunch order over to the Bakery.

MARC van day will be every second Thursday, commencing this week.

Parents of prep students are invited in next Monday morning at 9am for a brief information session with Frau Stoffel and Mr. Loney. They will talk to you about reading and will answer any questions you have.

The annual Jazz Festival will soon be upon us. It is a huge fundraising opportunity for our school. Catering takes place on Friday and Saturday at the community hall and our craft market is on the Sunday. Rosters will be handed to parents over the next couple of days – please see Poll or call in to see us if you miss out on getting your roster. We need as many hands on deck as we can get to lighten the load.

Principal
