Dear Families,

A Dawn Service on Anzac Day will be observed at the Memorial Gates at the Oval. This will be a very low key event - listening to the broadcast from the Shrine of Remembrance on the radio. Everyone is very welcome at 5.45AM for a 6.00AM Service.

(Photograph & invitation by Chas Mangle)

This Saturday, the 25th of April, is ANZAC day. The school will be represented at the Dawn Service by Poll and Kaylee and a wreath has been arranged. We'd love to see more students and families go along to the service both in support of Chas and to commemorate such an important occasion.

Over the next couple of weeks the *Attitudes to School Survey* will be conducted with all students in Years 5 and 6. The survey assists schools to gain an understanding of students' perceptions and their experience of school. The survey provides schools with valuable data on students' views of their wellbeing, teaching, learning and school in general.

Last Friday our students had a great day at the Stawell Leisure Complex with all of their cluster friends. It was a great opportunity for a catch up. I bet most people slept very well after a day of playing sport. Thanks to Great Western for organising this cluster day. Our next big cluster event will be the athletics sports on the 8th of May.

Speaking of athletics sports ☺ Please find attached a roster. As I mentioned last week, our aim is to fill it with as many friends, extended family and community members as possible. BUT we need your help in asking them. If you know of anyone who is willing to help out in any of the time slots, please let us know. Hopefully we can make it so that our families can go along to the sports and watch their children for, at least, most of the day.

The pre-order canteen list for athletics day has also been sent home with students today. Order forms are due back Monday the 4th of May. Please use one form per student and include correct money.
