

Halls Gap Primary School Newsletter No 12 Tuesday 5th May, 2015

TERM 2 2015	
Thursday 7 th May	Stawell Secondary College information evening
Friday 8 th May	Cluster athletics – in Halls Gap
Tuesday 12 th May	NAPLAN Grades 3 and 5 (Language Conventions and Writing)

ALLERGIES – PLEASE AVOID SENDING NUTS TO SCHOOL
Just a reminder – we have a child at school with a serious allergy to nuts (anaphylaxis).

Dear Families,

SOME REMINDERS AND FINAL INFORMATION FOR FRIDAY’S ATHLETICS:

- Attached is a roster for catering – please note where more help is needed and pitch in if you are able to at that time.
- Athletics programs are available to purchase from the school office for \$2 per program
- There is a load of sand being delivered to the Halls Gap oval to be used for the long jump pit at this Friday’s athletics sports. It would be greatly appreciated if a couple of people with trailers could remove the sand from the oval at some stage over the weekend and cart it to the school’s sand pit.
- Students should be at the Halls Gap cricket oval by 8.40am. Please ensure your child has correct uniform to start the day and that any coloured clothing/sports attire, face paint or hair spray is applied **AFTER** the marching. There will be time 😊
- Anyone who is available to take some photos for us (of all of our students) on Friday would be most appreciated. We got some fantastic photos last year!
- Have a great day! It’s all about participation and getting in and trying your best.
- The blank boxes below are the age groups that need a parent helper. Please let me know asap if you can help.

Age group	Boys	Girls
5/6	Moyston	
7	Moyston	Pomonal
8	Halls Gap	Concongella
9		
10	Pomonal	Pomonal
11		
12	Concongella	

You may have noticed our picnic tables at the front of the school are missing some bits and pieces. Don’t panic! Gjalt has started taking them apart so that they can be given a bit of a makeover and be made to look a little fresher and feel less “splintery.”

Please only send lunches to be heated once or twice a week. Teachers are on duty all day and while students are eating is really the only time we can get our own lunch. OH&S regulations prevent us from allowing students to heat their own lunches unsupervised.

Principal
