

Halls Gap Primary School Newsletter No 22 Monday 27th July, 2015

TERM 3 2015	
Friday 31 st July	Parent opinion survey to be returned

ALLERGIES – PLEASE AVOID SENDING NUTS TO SCHOOL
 Just a reminder – we have a child at school with a serious allergy to nuts (anaphylaxis)

Dear Families,

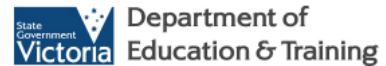

It was fantastic to have the opportunity to do a little bit towards helping our environment last week. We all had real fun and felt a sense of achievement after planting over 400 trees at the Stawell Caravan Park. In several years this space will be unrecognisable. The people from Landcare and Project Platypus were very impressed with our work ethic and enthusiasm. Well done everyone!

Well done to Paddy, Keira and Miles who were given their Mathletics Achievement Awards at today's assembly. This means that they achieve 85% correct on the majority of tasks that they attempt on Mathletics.

This is the time of year where we try and finalise our enrolments for 2016. We like to have everyone's contact details nice and early so that we are able to arrange our transition days in term 4. If you have a younger child that is starting school next year please drop in and pick up some enrolment forms or pop a note in an older child's diary and we will send them home. If you know of someone who is interested in enrolling please let them know that they can call in for enrolment forms, phone the school to have them sent out or you could bring them in for a visit.

REMINDER: Parent Opinion Surveys are due back at school this Friday the 31st of July. Thank you to those parents who have returned their surveys already.

Ja-San Trimble
Principal
