ALLERGIES – PLEASE AVOID SENDING NUTS TO SCHOOL
Just a reminder – we have a child at school with a serious allergy to nuts (anaphylaxis)

Dear Families,

Good luck to Keira, Kaylee, Jaala, Alannah and all of the other girls from our small schools cluster who head to Ballarat this Friday to compete in the Regional soccer competition. We hope you have a fantastic day.

Thank you to Joel for clearing out the drain at the front of the school. We won't miss the swimming pool that people had to negotiate while parking their cars after a heavy rainfall. 😊

Don't forget that Monday the 10th of August (next Monday!!!) is our community morning tea in support of Cass and Jonno's Nepal Relief Fund. We ask that all families donate a plate of food (slice, cake, muffins, sandwiches, etc) to contribute to the morning tea and extend an invitation to as many people as possible to join us. The cost of morning tea is \$5. Mr. Loney and I will be baking muffins with the students on Friday.

HEALTHY SNACKS

Healthy lunches and snacks are important for active children. It is important to offer healthy lunch box choices because healthy eating has a long lasting and positive impact on a child's concentration and ability to learn. Some of the pre-packaged snack foods offer limited (or, at least short lived) nutrients and energy. They definitely remain on the "occasional" list. Some foods that could be sent to school as a healthy snack are: seasonal fruits and vegetables, cheese & crackers or yoghurt.
