TERM 3 2015	
Tuesday 1 st September	Division athletics

ALLERGIES – PLEASE AVOID SENDING NUTS TO SCHOOL
Just a reminder – we have a child at school with a serious allergy to nuts (anaphylaxis)

Dear Families,

We had a great day yesterday! It was fantastic to see so many of our friends from the Grampians Cluster Schools and to make new ones. I think everyone really appreciated the opportunity to get out and walk in our beautiful environment. I also noticed that some of the students were fascinated by the kangaroos that casually congregate around the school grounds. It was a great opportunity to provide a little bit of education. Thanks to Frau Stoffel and Mr. Loney who kept the day running very smoothly. The students looked fantastic in their book week costumes. Well done to everyone!

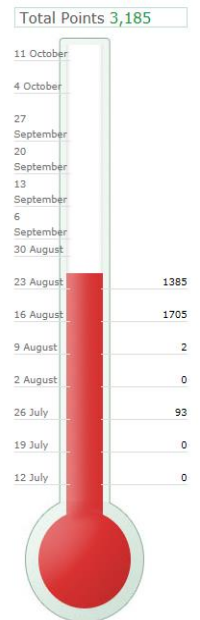

PUPIL FREE DAY – MONDAY 14TH SEPTEMBER

All families should please note that school council has approved a pupil free day for Monday the 14th of September. This will allow the teaching staff to make a visit to a school and learn about their literacy program with a focus on spelling and reading. Students will not be required at school on this day.

COMMUNICATIONS SURVEY

You will find a survey attached to this newsletter. Our aim is to get a 100% return. Your responses to this survey will assist us with developing a communications strategy and to ensure we are meeting the needs of the majority of parents with our approach to communication. Surveys can be returned to school and placed in the note box at the office.
